

LOOK FAMILIAR?...Where does the grease go?

49% of all slip, trip & fall Incidents are due to unclean, greasy floor conditions.* NFSI
Let us help you ... This isn't working to reduce slip, trip & fall conditions in your stores.

The Simple Solution. NexGen Dual-Cavity Bucket

The ABCO NexGen Dual-Cavity Bucket separates clean & dirty water: minimizing re-depositing of contaminants back on floor surfaces.

The ABCO NexGen Dual-Cavity Bucket; with a 2 Year McDonald's Replacement Warranty, is the only system in the industry Certified by the National Floor Safety Institute (NFSI) to reduce conditions for slip, trip & fall when used as part of an everyday floor cleaning program.

“Innovations such as color-coding and divided mop buckets are now mainstream American products”*
